ON-GOING ACTIVITIES (Continued)

3. Omnibus Secret NSCID

CIA Management Committee discussed draft on 11 February. DDs are to submit proposed changes, a redraft will be circulated and the paper again considered by the MC on 25 February. As of 14 February proposed changes have been received only from OGC and the IG. DCI indicated at 11 February MC meeting that his goal continues to be an unclassified NSCID. Action Officer: CS/ [REDACTED]

25X1

4. Unauthorized Disclosures

DCI declined to forward the proposed letter to Director, CIA, which had been prepared from two DDO memos. DCI wishes the cited instances used as part of a listing which will go forward when he activates the new Bigot List procedures being proposed under [REDACTED] Action passed to CIA Office of Security. Action Officer: CS/ [REDACTED]

25X1

5. Ad Hoc Committee to "Cost" Security Leaks

Second meeting held 13 February. Enough material has been assembled to begin preparation of initial draft of study. Action Officer: CS/ [REDACTED]

25X1

6. KIQs

The Key Intelligence Questions Evaluation Process (KEP) involving 12 of the 72 key questions for 1974 was initiated on 13 February by the DCI. Instructions and guidance for carrying out the process will be distributed to USIB/IRAC officers/organization on 19 February. Baseline Reports, many of which are already being developed, are due on 1 March. IC briefing teams are available to discuss the process in detail with the staffs of each of the participants. Action Officers: MPRRG/ [REDACTED]
